Paragraph 7

(Ezekiel 40:2) By means of visions from God, he brought me to the land of Israel and set me down on a very high mountain, on which there was a structure like a city to the south.

(Ezekiel 45:1) “When you allot the land as an inheritance, you should offer as a contribution to Jehovah a holy portion out of the land. Its length should be 25,000 cubits, and its width, 10,000 cubits. Its entire area will be a holy portion.

(Ezekiel 45:6) “You should give as the possession of the city an area that is 25,000 cubits long (corresponding to the holy contribution) and 5,000 cubits wide. It will belong to all the house of Israel.

Paragraph 9

(Ezekiel 45:7) “And for the chieftain there will be land on both sides of the holy contribution and of the area allotted to the city. It will be next to the holy contribution and the possession of the city. It will be on the west side and on the east side. Its length from the western boundary to the eastern boundary will correspond to one of the tribal portions.

(John 10:16) “And I have other sheep, which are not of this fold; those too I must bring in, and they will listen to my voice, and they will become one flock, one shepherd.

(Psalm 45:16) Your sons will take the place of your forefathers. You will appoint them as princes in all the earth.

Paragraph 10

(Ezekiel 48:35) “The perimeter will be 18,000 cubits. And the name of the city from that day on will be Jehovah Is There.”

Paragraph 11

(Proverbs 19:17) The one showing favor to the lowly is lending to Jehovah, And He will repay him for what he does.

(Ezekiel 46:18) The chieftain should not take any of the inheritance of the people by forcing them off their property. He should give his sons an inheritance from his own property, so that no one among my people may be driven from his property.”

(Ezekiel 48:29) “This is the land that you should distribute as an inheritance to the tribes of Israel, and these will be their portions,” declares the Sovereign Lord Jehovah.

Paragraph 12

(Ezekiel 48:30-34) “These will be the exits of the city: The northern side will measure 4,500 cubits. 31 “The gates of the city will be named according to the tribes of Israel. Of the three gates on the north, there is one gate for Reu'ben, one gate for Judah, and one gate for Le'vi. 32 “The eastern side will be 4,500 cubits long, and there are three gates: one gate for Joseph, one gate for Benjamin, and one gate for Dan. 33 “The southern side will measure 4,500 cubits, with three gates: one gate for Sim'e-on, one gate for Is'sa·char, and one gate for Zeb'u·lun. 34 “The western side will be 4,500 cubits long, with three gates: one gate for Gad, one gate for Ash'er, and one gate for Naph'ta·li.

(Ezekiel 45:6) “You should give as the possession of the city an area that is 25,000 cubits long (corresponding to the holy contribution) and 5,000 cubits wide. It will belong to all the house of Israel.
